

TRAINING AND CONSULTANCY OPPORTUNITIES

Business Development Through Bespoke Training Packages

Now updated with the options of virtual and blended learning to adapt to COVID Restrictions!

I have run my own training company since 2015. The experience I bring is varied, having worked with parents and children for over 20 years in a variety of roles both front line and as a manager.

My business offers five areas of training and consultancy:

Consultancy

I offer consultancy services to a wide range of individuals and organisations. These have included a large academy trust, a local third sector organisation and a national charity. Working closely with clients, I have developed packages of support to meet their business needs.

Projects have included:

- A full scale operational effectiveness review
- Action planning with a group of trustees around their legal responsibilities
- Review of staffing policies and procedures along with support with specific issues

Safeguarding Training

Training can be offered for paid staff, volunteers, trustees and managers:

- * Safeguarding Level 2 – CPD Certified
- * Advanced Safeguarding Level 3 – CPD Certified
- * The role of the Designated Safeguarding Lead - CPD certified – Level 3 safeguarding RQF via NUCO
- * Safeguarding in Practice – what does this mean for the individual, the team and the organisation?
- * Governance of Safeguarding – sessions for trustees, governors and managers
- * Managing allegations against staff and volunteers
- * Safer recruitment in practice

*All work is covered by public liability and professional indemnity insurance.
This is supported by risk assessments of all sessions and comprehensive evaluation.*

Leadership and Management Training

Workplace Compliance

First Aid and Health and Safety courses – all fully externally accredited via ITC First (www.itcfirst.org.uk) and found on the Ofqual framework:

- Emergency First Aid at Work Level 3
- Full First Aid at Work Level 3 (and refresher courses)
- Paediatric First Aid (PFA) Level 3
- Food Safety Level 2 CPD Certified
- Allergen Awareness and Notifiable Diseases – follow on for anyone with a Level 2 in Food Safety
- Essential Life Saving Skills CPD Certified (basic first aid which is a great introductory course)
- I can also develop bespoke training eg First Aid for lone workers

Feedback Received From Recent Courses

“The tutor has a lot of experience and good background knowledge”

“The course was delivered with accuracy and precision and made fun by mixing people up virtually in groups so everyone met everyone”

“This was really interesting and I learnt a lot”

“Made us feel very welcome and had a good knowledge of the subject”

“I much preferred to do the course over Zoom as I took more in”

All Courses can be offered on a virtual basis with an interactive platform provided.

All of the courses listed above can either be offered virtually, or on blended basis where some of the teaching is virtual, and some if face to face.

The blended approach works particularly well for first aid courses

*All work is covered by public liability and professional indemnity insurance.
